

# Lanopro Heavy Cleaner 84-01 G Degreaser

Specification Sheet - 2010.12.06

---

## DESCRIPTION

**Lanopro Heavy Cleaner 84-01 G** is a safe, natural, and powerful fluid designed for breaking down and removing all kinds of elements. The product is great for brushing onto surfaces to remove graffiti, paint and markings or as a parts cleaning solution in industrial applications. **Lanopro Heavy Cleaner 84-01 G** is non-toxic, biodegradable and non-flammable so it's safe for use anywhere and on anything.

Breaks down grease and oil allowing it to be washed off. Removes spray-paint, marks, and graffiti. Removes adhesives and stickers. Use **Lanopro Heavy Cleaner 84-01 G** in a parts-washer, basin, as a fluid or in a sprayer. The product will leave an anti-corrosive, lubricating finish. **Lanopro Heavy Cleaner 84-01 G** is designed to remove some paints, such as spray-paint, so test product on small, discreet area first. The product is conductive.

## APPLICATION

Use Lanopro Heavy Cleaner 84-01 G in a parts-washer, basin, as a fluid or in a sprayer. Lanopro Heavy Cleaner 84-01 G is easy to use.

## PHYSICAL PROPERTIES

The product is non-toxic and has no negative environmental impact. It is approved for use in marine environments, according to guidelines from "The National Institute for Occupational Safety and Health" (NIOSH). Made from 100% renewable material. Mineral-oil free. Rapid biodegradability (over 85% in 28 days). Use normal protective goggles to protect eyes. It is not necessary to take any special precautions for workers that use this product. See Material Safety Data Sheets (MSDS) for more information.
