

Lanopro Storage Spray 11-10 G Coating

Specification Sheet - 2010.12.06

DESCRIPTION

Lanopro Storage Spray 11-10 G is a light brown, thin film, aerosol spray coating with excellent penetration and corrosion resistance properties.

Lanopro Storage Spray 11-10 G is completely non-toxic and does not create an environmental footprint. It is a premium grade coating formulated for frequent use in harsh conditions, whilst minimising lubricant build up and abrasive particle contamination. Designed for maximum lubrication and protection against degradation and corrosion. The product forms a thin protective shield. Suitable for short time storage of equipment or tools. Also suitable for other open applications ie. chains, steel ropes, drilling tools, etc., where there is necessary with good lubrication, protection and penetration.

Lanopro Storage Spray 11-10 G is compatible with most mineral oils or other petroleum based products. However, a test before application is recommended.

Lanopro Storage Spray 11-10 G is also available on 5L - 20L - 196L drums, and it is known as **Lanopro Coating 10-15 G**.

SURFACE PREPARATION

All surfaces should be free of dust, oil, loose granules, gravel, or peeling paint and all other foreign matters. However, the product can be applied on rusty metal without any primer or brushing. Prior pressure washing of the surfaces is recommended for optimal results.

APPLICATION

Under cold (<5°C) conditions it is beneficial to store the product in warm climate before use (room temperature) for better flow and spray ability. Coverage rates and amount will vary depending on how contaminated the surface is. Avoid apply unless temperature is 0°C or higher.

CLEAN UP

Clean brushes, tools and other equipment with soapy and/or hot water after use.

PHYSICAL PROPERTIES

The product is non-toxic and has no negative environmental impact. It is approved for use in marine environments by Harmonized Offshore Chemical Notification Format (HOCNF). Use normal protective goggles to protect eyes. It is not necessary to take any special precautions for workers that use this product. See Material Safety Data Sheets (MSDS) for more information.
