

# LanoPro Multi Grease EPO

## Multi-Purpose EP Grease - NLGI 0

Product Data Sheet - 2022.08.04

MULTI  
PURPOSE

EXTREME  
PRESSURE

CORROSION  
PROTECTION

CENTRAL  
LUBRICATION

## Description

LanoPro Multi Grease EPO is a lithium thickened lubricating grease based on mineral oil. The grease contains antioxidants, corrosion inhibitors and EP/AW additives.

The product is a state-of-the-art multi-purpose EP grease which can be used in various applications within given temperature limits. The lubricating grease offers good mechanical stability, load carrying capacity and corrosion protection.

LanoPro Multi Grease EPO is a high quality multi-purpose grease that can be used in marine, industrial and automotive applications. The consistency of the product makes it suitable for use in centralised lubrication systems that require semi-fluid grease.

- Good mechanical stability
- Good corrosion protection
- High load carrying capacity
- Easy to pump at low temperatures

## Technical Data

| Properties                 | Test Method | Typical Values             |
|----------------------------|-------------|----------------------------|
| Thickener                  |             | Lithium                    |
| Base fluid                 |             | Mineral oil                |
| Colour                     | Visual      | Yellowish-brown            |
| NLGI grade                 | ASTM D217   | 0                          |
| Dropping point             | IP 396      | >160°C                     |
| Base oil viscosity at 40°C | ISO 12058   | 200 mm <sup>2</sup> /s     |
| Penetration 60 strokes     | ISO 2137    | 355-385                    |
| 4-ball weld load           | DIN 51350:4 | 2600 N                     |
| Water resistance at 90°C   | DIN 51807:1 | 1-90                       |
| Temperature range          |             | -30°C to +120°C Max +130°C |

## Handling

- **Storage** Handling and storage temperatures (0°C to 40°C)
- **Packaging** 18kg - 180kg. Other on request
